AUG 24 '65

On its grass-hewn lawns I walk. My shoes clap against the glassy floor in its great hallways, and I listen as my footsteps echo and spill down the silent corridors.

What is here for me? I ask. But no answer is yielded. Only the sound of voices, yelling and whispering, the ripple of pages turning, the squeak of chalk and scratch of pen, and the strains of the Alma Mater, floating in the hot commencement air, come forth.

Someday, when all these things I have embraced, I'll look back and know the answer.

I am not alone. I am a drop in the deluge that fills and bursts the classrooms and storms the smoke-bogged grill, where the saga of adventures is whispered over coffee and fried pies. We throng the stadium and bloat it with spirit until the boldness of our age is deafening. We cascade onto and invade the campus. We are the university.

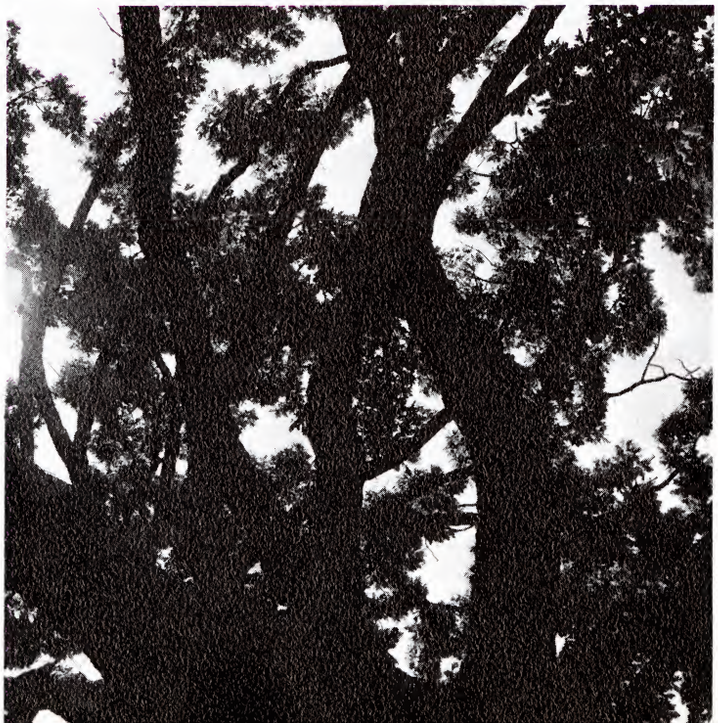

Interludes: When in the midst of the surging stream, I step onto an island and stand apart, listening to the turbulent, clamorous roar. Perched in muteness, I wonder where I am moving. Sometimes the massive weight of knowledge presses upon me until I think I shall be crushed. And then in this moment of hush, the pieces fly together and suddenly I understand all things, know all things. And for a brief interim, I am at peace with myself.

A trickle of sweat under the black bachelor's robe. A hundred thousand moments in the enigma of graduation. A pocket full of keys.

Through how many doors shall I pass?

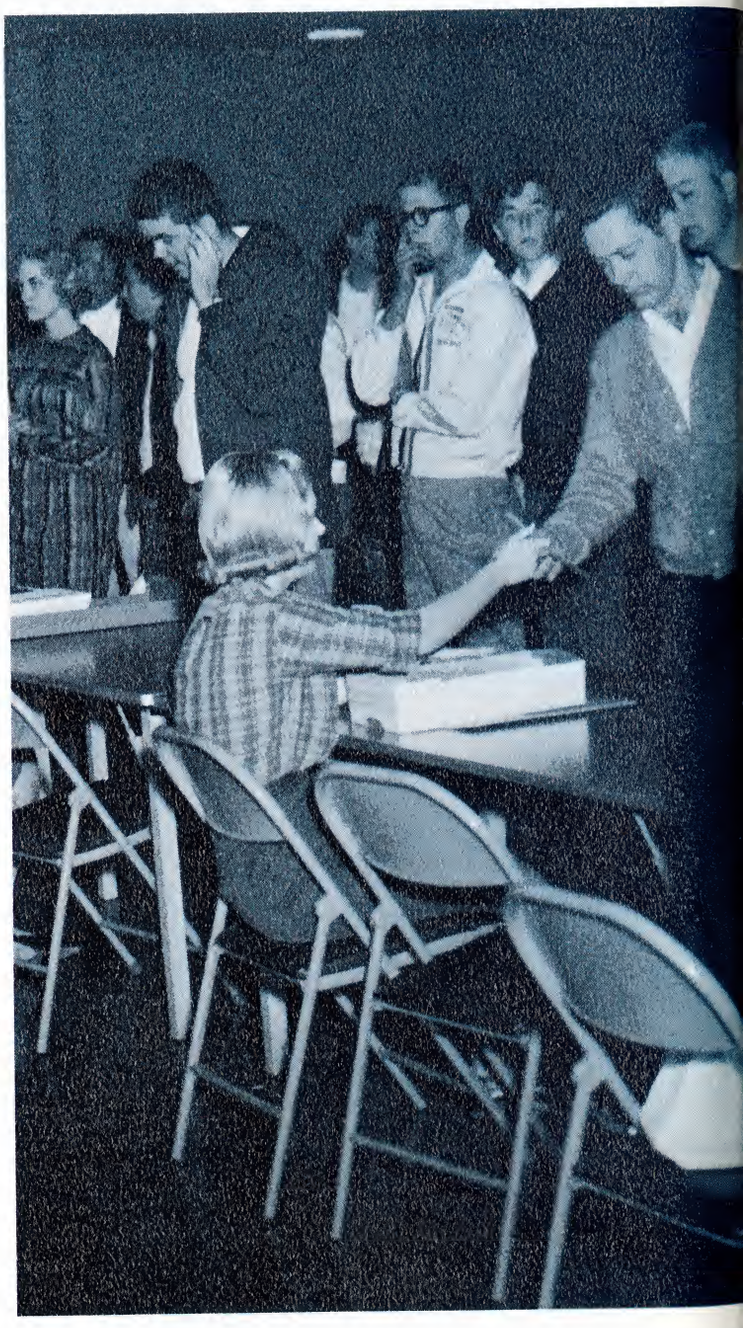

the story of the year

Frequently described in sociological terms as mob hysteria (or in layman's lingo, "It's a mell of a hess!").

They call it organized confusion. Elbows jabbing, feet kicking, bodies pushing; tired feet, sore back, wrinkled brow, empty stomach—depression. Endless line, blue cards, pink cards . . . cards . . . curriculum schmidulum! Hey, was that me I just passed? And amassed above me, I know the comfortless thought running through the tortured minds of the tiny ants in the crowded balconies: this, too, shall pass.

My name?

They Call It Organized Confusion

But I've already had History of "Peruvian Kettle Drums."

Ecstasy, agony, worry, joy. Smile until your face cracks; dance until your feet throb; sing until your voice breaks.

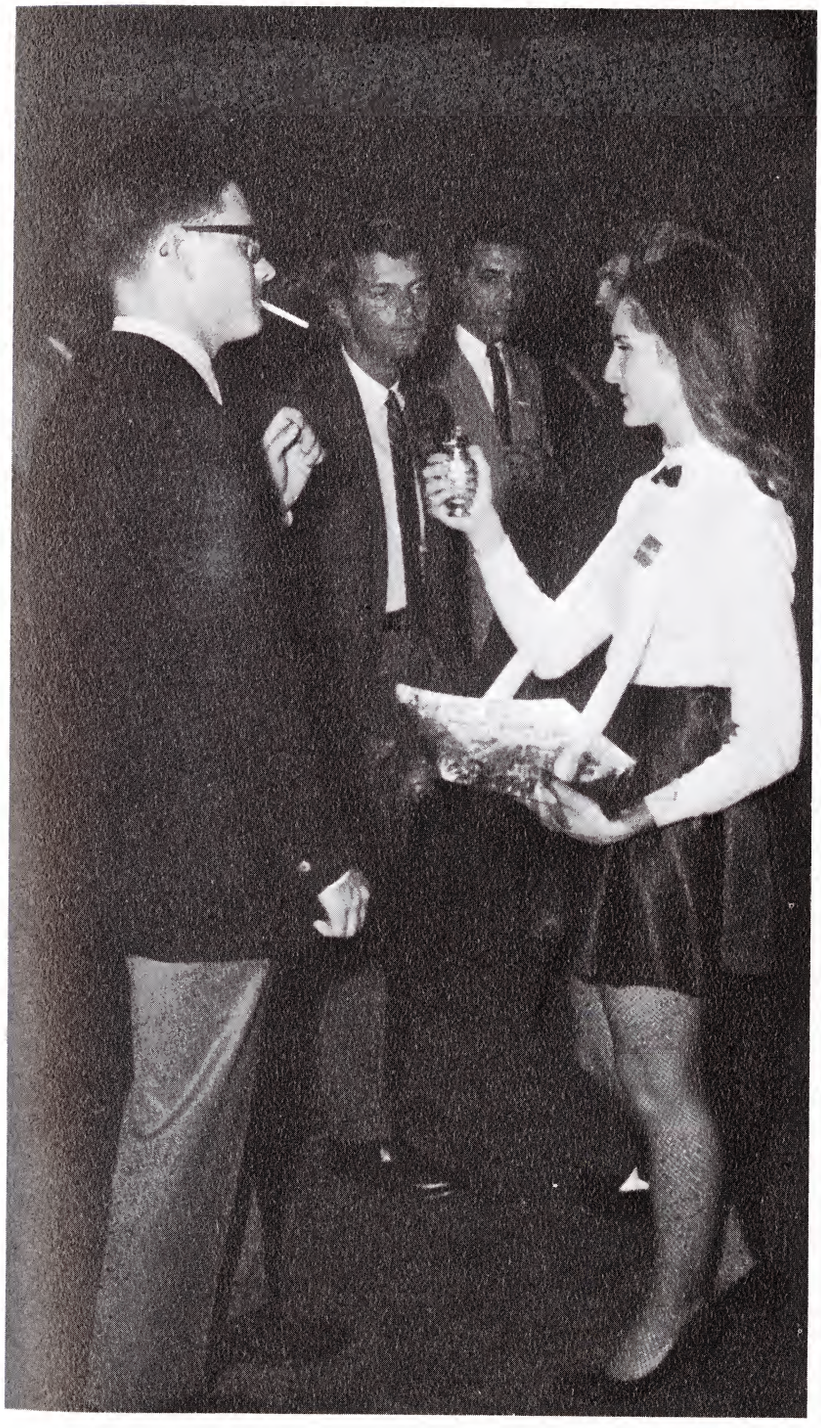

A hand is extended, a decision made. Who knows how deep its significance, how profound the implications?

"She's the one with the one with the wart on her nose."

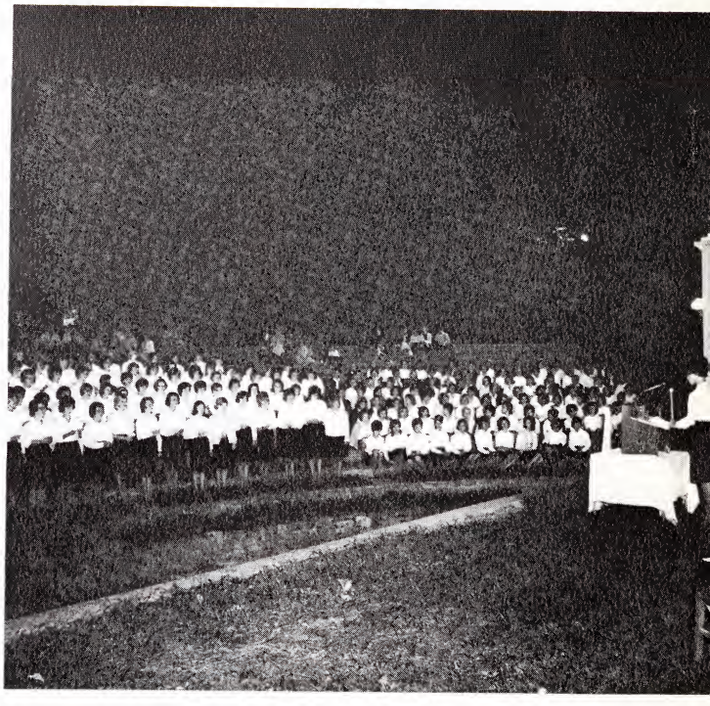

Whud you shay wasz in this punchzz?

A Decision Is Made

Wait a minute, wait a minute. I thought this was Fraternity rush!

The Time Capturers

From sixty-four universities and colleges, they came to learn the crafty skills of trapping moments and assimilating them into newspapers and yearbooks. ETSU was host this year to both the publications and governmental workshops of Southern Universities Student Government Association, which is celebrating its sixth year and fifth publication. We are indebted to its members for the preservation of a momentous experience.

One by one we filed past the faculty, impressed by their warmness and humor. We shook hands with the President and thought, "This is the man who answers for my every action. How well he carries his responsibility." We sipped punch and sneaked a few extra cookies for the dorm that night. We drifted from President Dossett's home, feeling for perhaps the first time that we really were an integral part of this extraordinary adventure.

President Dossett greets new freshmen.

One By One We Filed

Frills, Frolics, and Backaches

Folk dancing as a means of active expression and social stimulation was presented in the fall at a workshop sponsored by the Physical Education Department. Mrs. Mary Ann Herman, owner of New York City's Folk Dance House and a nationally known authority on folk dancing, revealed to students and faculty the highly enjoyable and satisfying benefits of folk dancing as a recreation.

Put your little foot . . .

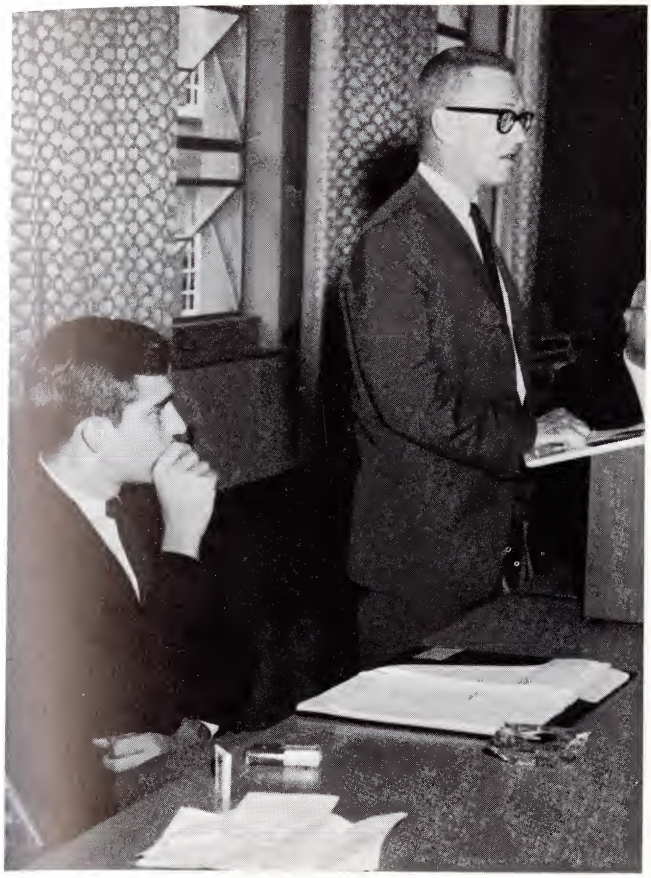

"Well, that's almost what I meant."

Faculty-Student Relationships Are Strengthened

Dr. Ellery, head of the ETSU English Department and a notable authority on leadership techniques, leads the leaders.

Many factors influence and affect group behavior and accomplishment. A leader must be aware of these factors to efficiently direct a group. At this year's Leadership Conference, various faculty members led discussions on several problems affecting students and involving several phases of campus life. The Conference, in which all group leaders in every campus organization participate, serves as an instrument through which faculty-student relationships are strengthened.

Our Leaders.

In the silent mark of pen, the kaleidoscope hours of homecoming pass swiftly down the neck of an eternal hourglass. The vote is cast; our Queen is chosen.

Run, Rat, Run!

Rat feet scratching on the crowded walkways;
blue and gold beanies on small soft heads.
Wide-eyed creatures in a dark, dark hole:
eyes darting quickly, throwing gleams,
moving to grasp all before them.

Air Raid boxes without topses, served as shoes for Clementine.

It's 28,674 hot dogs from the University Center to the library, and 4,536 rat hats to the boys' room from the girls' room.

Swiftest rats in the pack, Nancy Goins and Ron Overby, with The Leader of The Group, Wayne Bell.

Thou shalt submit to the honorable rat court's unbiased decision.

Rat feet pound in the rat week race.

Some people will do anything for a trophy.

And its Shull (AOPi) coming down the 30, and 20, the 10, and 20 (?), the . . .

Be good to that egg, Carolyn! (She was; Sigma Kappas tallied third.)

Hm, Hm—what a pie! (Delta Zeta placed second in the annual competition.)

Pike's Peak Casserole

45 rotten eggs
12 lbs. of flour
4 tubs of water
Break eggs over fresh PiKA pledge faces.
Rub flour thoroughly over seven screaming girls.
And saturate seven heads with icy water.
Mix well, gradually adding spirit. Bake in the heat of competition.
Yield: 300 flat feet.

Miss Pike's Peak, Sheila Bolding (Kappa Delta)

Kappa Delta's version of The Dance of the Seven Veils. ("If we win this, we'll be in double figures!")

Alpha Delta Pis backing their way into first place.

"Go, little women!" And Kappa Delta did.

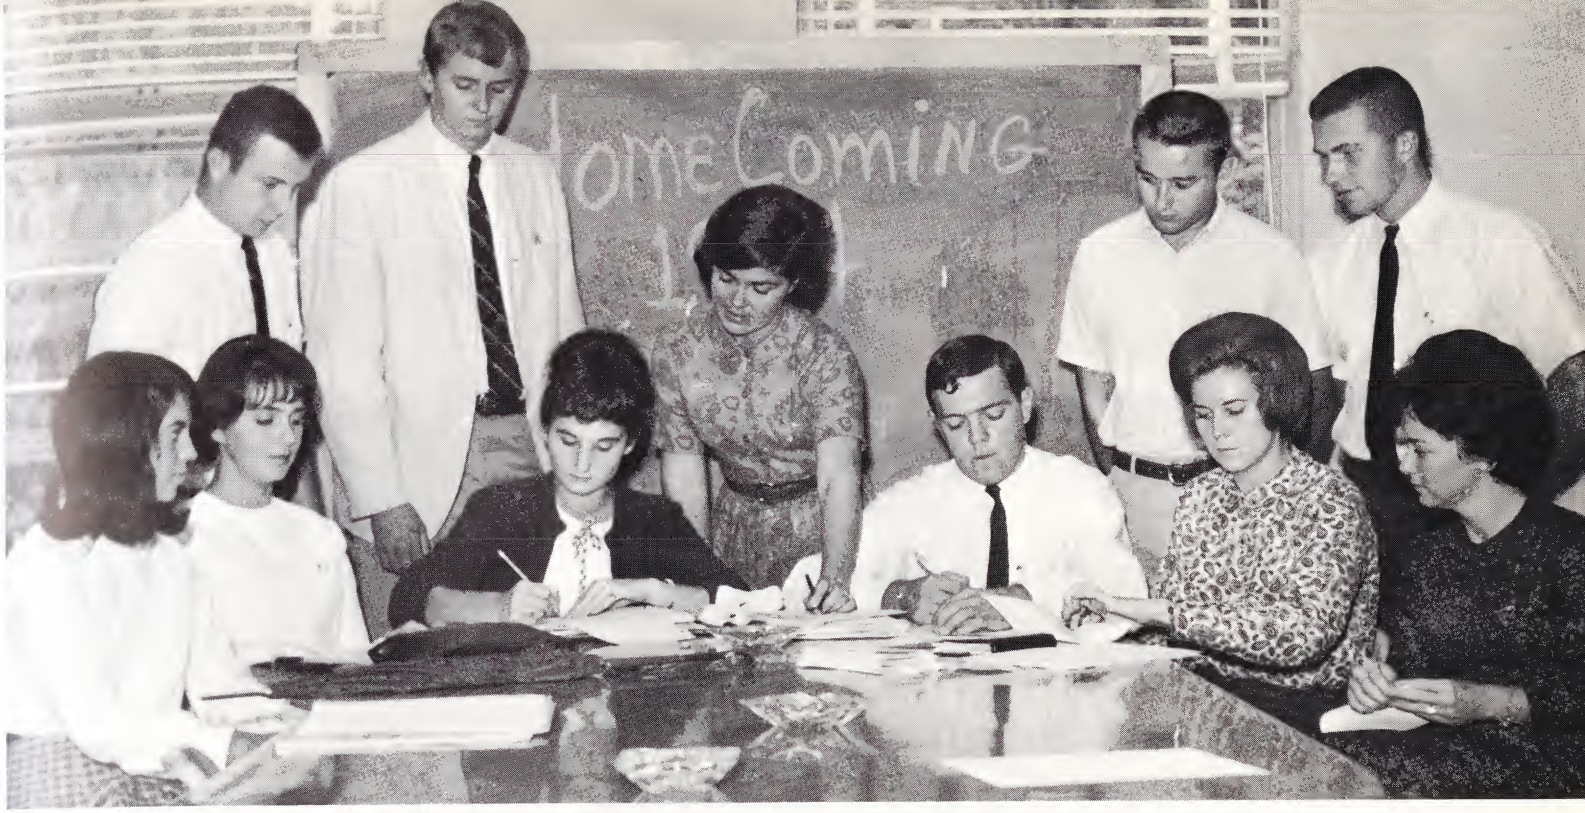

"Ya wanna change muscles now or on the next lap?"

Sigma Phi Epsilon wins the grueling race.

"Burn the rats!" they yelled, but their spirit was fused in the Fight Song around the bonfire of Homecoming.

Homecoming Committee: *SEATED*—Michele Montmore, Brownie Gentry, Shelia Steffey, Tom Cardaci, Sharon Murphy, Martha Cook; *STANDING*—Joe Atchison, Jerry Glover, Annie Lane, Sam Burchfield, Frank Atchison.

Bright colors flashing and blending into floats, moving around and around in the swirling sea of faces. The yellow mums send forth a nostalgic fragrance to linger and hover in the crisp, exciting air. The spirit of Homecoming rises to our throats, wherein its tumultous emotions are released upon the velvet green field and expressed within the dark, misty hours of dancing. Homecoming: Many lives smeared into a brilliant palette.

Students release inner tensions and frustrations at the swingingest Homecoming Dance of the decade!

Shadows of Homecoming

The Homecoming Court: Freshman attendants, Roma Harmon and Larry Lawson; Junior attendants, Sally Brooks and Jerry Hines; the Queen, Bobbie Huffman and Wayne Bell, United Student Body President; Senior attendants, Eleanor Yoakum and Bill Newbold; Sophomore attendants, Ann Gilliken and Bill Kenny.

Shadows of Homecoming creep across the jubilant crowd and the victorious team as the weekend slips silently through the withered fingers of time.

At last the tension of apprehension is released. Sigma Kappa's Miss Bobbie Huffman is crowned to reign over the great event as Homecoming Queen for 1964-65.

The whirlwind passes, leaving only footprints of discarded moments. The wilted mum remains to cast a brief inkling of excitement upon the dying weekend.

The Homecoming Display Line-up: Annie Lane, Homecoming Chairman, presents Phil Bachman, Sigma Alpha Epsilon, 2nd place, fraternities; Jim Wells, Browning Hall, 1st place, men's dorms; Barbara Wiggins, Sigma Kappa, 2nd place, sororities; Brownie Gentry, Kappa Delta, 1st place, sororities; Phil DelGiudice, Lambda Chi Alpha, 1st place, fraternities; Tucky Smith, Donna Hall, Karen Hawkins, Carter Hall, 2nd place, women's dorms; Sandy Warren, Yoakley and Powell Halls, 1st place, women's dorms.

Stuffing the mighty giants; the bulging red eyes and long black spindle legs: watching over the campus.

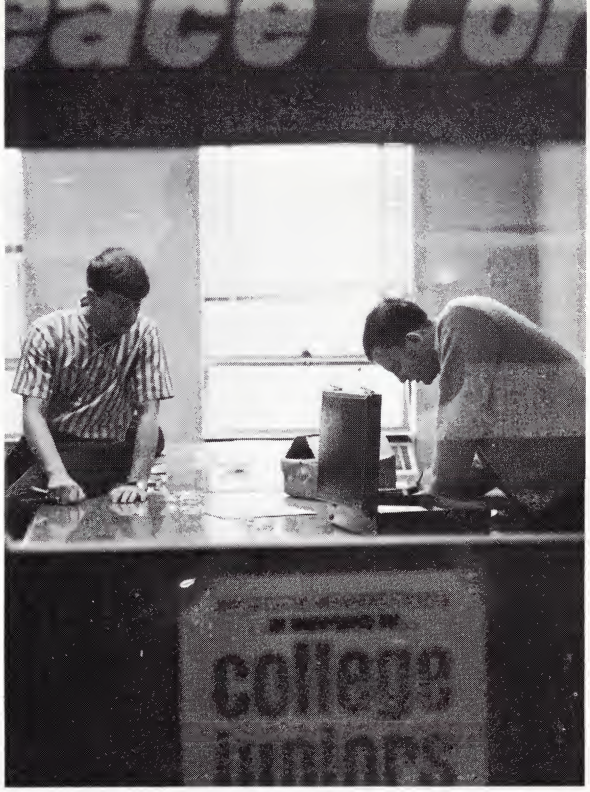

Phi Mu Alpha knows the secret of a winning display. Ellen McAmis and Danny Bailey work "restfully" on the 1st place prize, special organizations.

The little people work and build and preen over giant crepe paper animals and painted toy machines and people. And when their work is through they step back, like tiny ants from a great chocolate cake, and bow humbly before them, the sentries of Homecoming. But with the last grain of sand, these, too, must fall, as the dying embers of a grand Homecoming finally grow cold and leave the white ashes of a fiery weekend.

Men With a Purpose

The Peace Corps, a great teacher, came looking for adventures and men-with-a-purpose this fall. A team of Corps members from five different countries, ranging from Bolivia to Tanganyika, held seminars and private interviews for interested students, revealing to them the hardships and advantages of being a Corps worker. Charles Caldwell, public information director for the Corps, summed up the great responsibilities of such a job when he stated that each member of the Peace Corps is an ambassador of his country.

One step toward perception, understanding, and sacrifice.

Students look over the Corps.

Impressive

As an Army

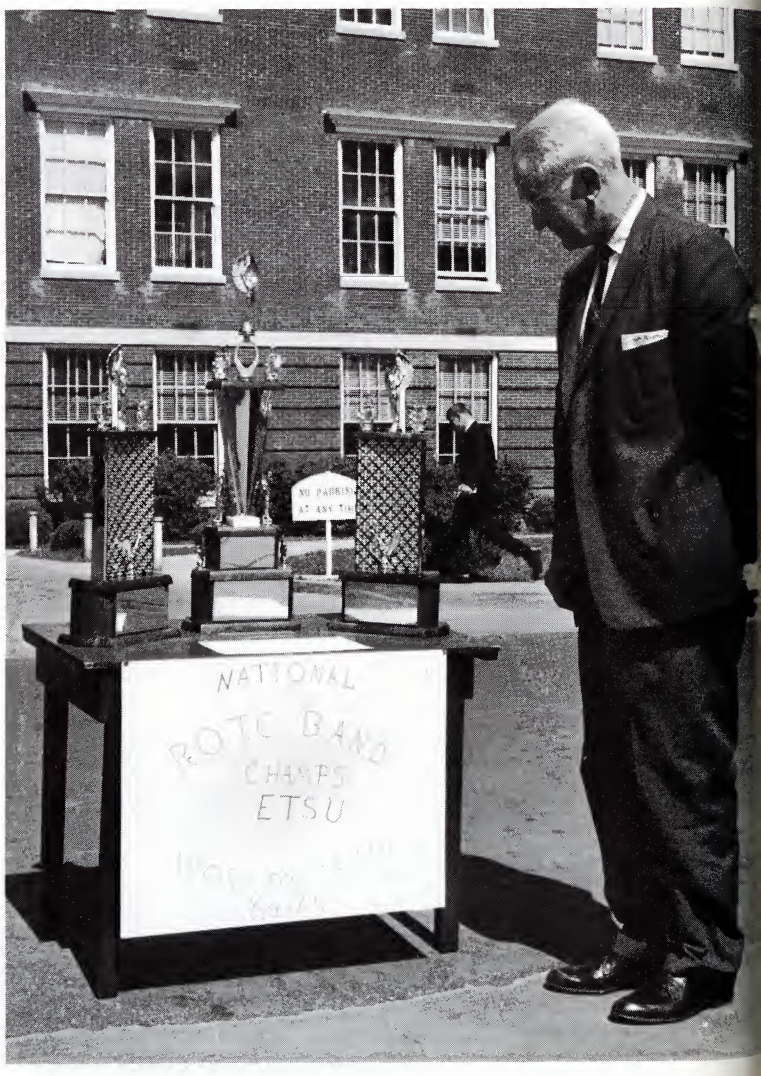

Blue, brass hat, and olive drab execute "stomp and troop" with crack and precision. Impressive as an army with banners unfurl'd, the ROTC steps out for the Colors; the heart is set aflame by the scene's majestic glory. Officers, ladies, or gentlemen: this is a proving ground for the future. But the throbbing warmth of the blood cools: the tumult and the shouting die; a silent emptiness fills the air.

Va-rooom!

Run, "Turby," Run!

Dean Alexander admires the array of trophies won by the ROTC Band at the 1964 New York's World Fair, where the band placed first in the nation.

"Some people's children!"

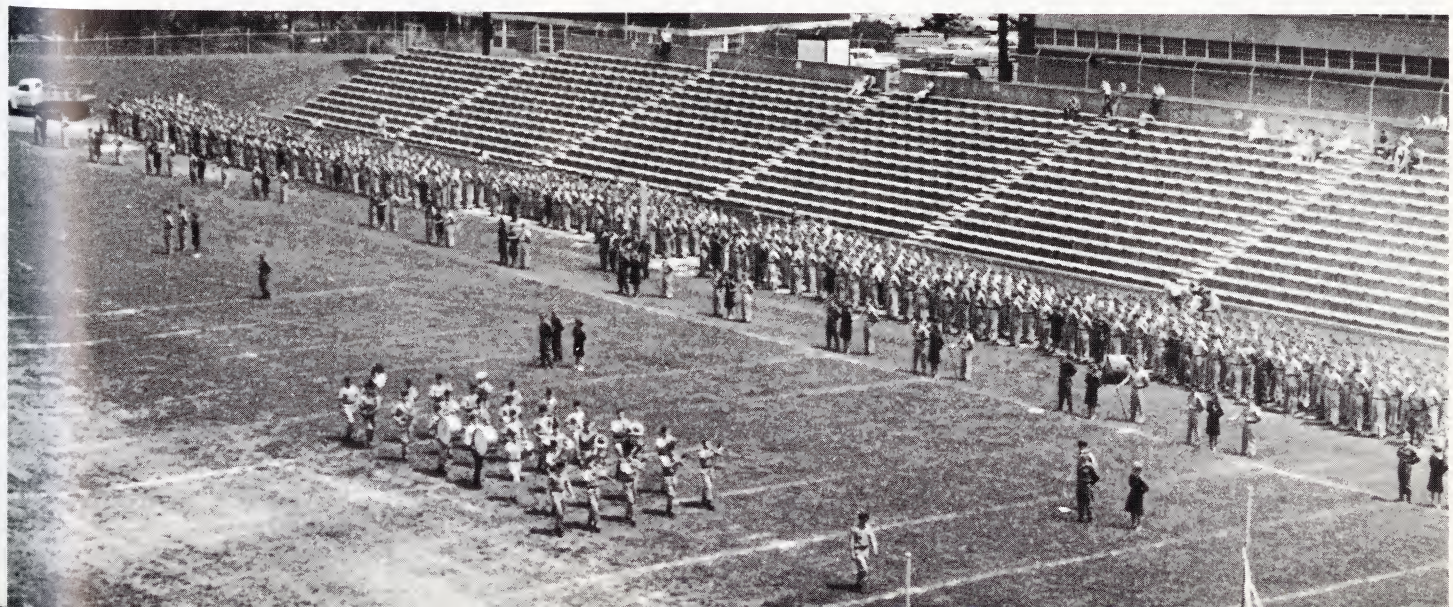

He said eyes-right, Montgomery!

The ETSU Honor Guard Precision Drill Unit.

Did somebody say they were ALL out of step?

John Russonello, Edward Claudio, Judith Chellico, and Wayne Croughn, Barnwarming talent show winners.

Barnwarming king and queen, Lou Ann McCulley of Phi Mu and Dolye Brayson of Delta Chi Alpha.

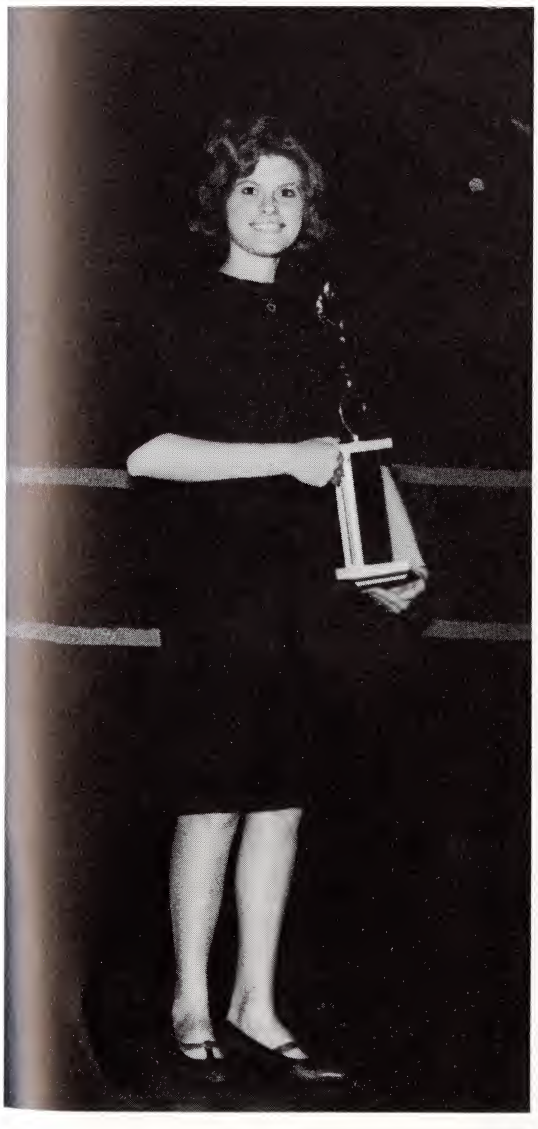

Each fall quarter, students on our pulsating campus are confronted by fifty girls in full skirts, pantaloons and checked dresses. The typical reaction is to assume that their grandmothers wear paratrooper's boots. However, the Kappa Deltas are merely dressing for their annual money-raising project, Barnwarming. While frolicking in the many booths of the carnival, the students innocently enjoy the promotion of its success.

Freshman Talent Show

Among the mass Rat activities that ETSU sponsors, the annual Frosh Talent Show stands out as one of the most exciting and unpredictable melodic themes of the year's symphony. Untempered by the omniscient attitude of the worldly upperclassmen, the Rats present a show of talents from guitar-picking to bubble dancing with the confidence of professionals. Caught in the accelerating events of our little revolutionary world, the entire student body looks to the spirit, freshness, and naivete of its Freshmen for reassurance that THIS year will be the greatest yet!

Linda Kay Stroupe led the Piano Party to a landslide victory in the Rat Talent Convention as she won first place, women's division, with a moving score.

Playing with fire comes easily for Chris McInturff, who placed second with a hot baton act.

Robbie Wood confidently wrings tears from the obedient keyboard as he dropped those sonorous sounds that won first place in the men's division.

Miss Buccaneer

A beautiful smile and sparkling tiara ... spotlight on a flowing gown ... the heart looking warmly out of two shining eyes ... Miss Buccaneer: a pleasure to behold.

Selected from a group of contestants representing every campus organization, Miss Buccaneer candidates are chosen on the basis of poise and photogenic quality. The winner of the title is presented in *The Buccaneer* as the campus ideal of natural beauty and femininity. This year's Miss Buccaneer, Barbara Vaughn, compliments her title graciously.

Miss Vaughn, sponsored by the Young Democrats Club, is a sophomore studying in the field of elementary education. Titles are not new to Barbara. She was Miss August on the 1963-64 Pi Kappa Alpha Calendar, the 1963-64 Lambda Chi Alpha Pledge Class Sweetheart, and a staff member of *The Buccaneer*. She can frequently be seen at the Dairy Queen gobbling banana splits, and is perhaps the only girl on campus whose 5′6″, 115-pound figure is not affected by this indulgence in the "finer things" of life. Barbara becomes completely irritated with people who constantly say, "I told you so."

Miss Barbara Vaughn receives the traditional congratulatory kiss from Wayne Bell, Student Body President, after being crowned Miss Buccaneer for '64-'65.

Carolyn Holt

Sponsored by Delta Omicron, music fraternity for women, Carolyn Holt is a member of Sigma Kappa Sorority. A major in music, and an accomplished pianist and organist, Carolyn has many varied talents. She is a member of Delta Omicron, SNEA and M.E.N.C. An active contributor and capable leader in the Greek world at ETSU, Carolyn is a member of the Panhellenic Council. After graduation, Miss Holt plans to embark on a teaching career (which will force her to contend with the one thing she most detests: alarm clocks!). Not infrequently found nibbling on blueberry muffins, Carolyn's attractiveness and poise will stand the test of the calories they contain.

Mary Carter

Mary Carter, a striking beauty from Warrenton, Virginia, is an elementary education major. She was Apple Blossom Princess of Winchester, Virginia. Sponsored by Kappa Delta Sorority, Mary has served as press chairman for the Kappa Deltas and is a member of SNEA. She enjoys drawing, canoeing, and singing—all of which she does well. Turkey sandwiches rate first choice on Mary's favorite food list, and, as most typical teachers, she thoroughly abhors the sight of someone chewing gum in public!

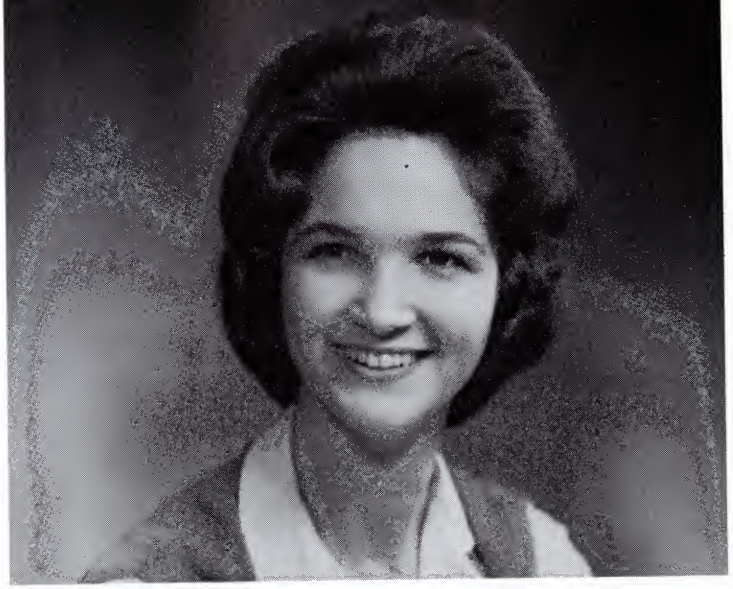

Connie Whittaker

Connie Whittaker, a junior majoring in English, was sponsored by the University Chorale. She is an active member of Kappa Delta Sorority and SNEA, the campus society for teachers. Connie is quite involved in music and works seriously at playing the piano. Often she can be found at the Holiday Inn, gleefully indulging in a delectable dish of shrimp cocktail and discussing campus politics. With her eye on becoming a high school English teacher, Connie lists disorganization as the thing she has the most difficulty tolerating.

Who's Who

As are the onslaught of exams and the whirlwind wind-up of a congested quarter, the announcement of members of the '64-'65 *Who's Who in American Colleges and Universities* is awaited with much anxiety and anticipation. The selected group chosen for this honor consists of students whose education has been one of a kaleidoscopic nature. They are not to be classified as types, but rather as individuals whose academic pursuit has been integrated into many phases of campus life, and whose approach to the milieu in which they find themselves deeply involved, is one and receptive to change. Who's Who members are chosen on a basis of academic achievement and campus leadership, on a national standard, and are enrolled in the ranks of collegiate pacesetters across the country for their respective year of membership.

The gleaming, cheerful light of the University Center beckons the praisers of Christmastide to a unity of form, spirit, and purpose.

The symbols of the season, the heading of the reason: these signify the hopes of Christmas for peace on earth and goodwill to all men.

Christmas marked the silent still point of the otherwise clamorous, hectic year. Even within the rush of parties and finals, a certain swelling warmth and anxiety abstracted everyone from himself until each of us was not really here, but floating about the campus and home at the same time. During the wonderful campus caroling party, an air of ethnic solidarity bound each of us closely together as secretly we dared to look far ahead and become congizant that this is as it should be and would be, when some day we step off the edge of today and never reach tomorrow. Christmas is many things. But it remains to be the one interlude of the year when we, putting aside the jam-packed days of man's trivial passions, become aware of our insignificance in the framework of the Unknown.

The University Chorale, Ruth E. Watts, director, and the University Choir, Robert La Pella, director, rehearse for the Christmas Concert under the direction of Dr. David Van Vactor.

Eye-Appeaser

Pi Kappa Alpha presents the lovely young ladies who graced the 1965 Pike Calendar. The girls were selected on the basis of beauty, poise and figure. These twelve girls represent the cherry in ETSU's large martini. This year's Pi K A Calendar Girl Ball, given in honor of these girls, proved to be another eye-appeaser.

Really girls, It will all be over soon.

An individual's freedom to make decisions for himself embodies the fundamental concept of the democratic way of life. We are free to choose the alternative, to follow the precepts which we find best for each of us individually. It is up to each of us as individuals to decide whether or not we will accept the challenge to grow by using the opportunities given us or to stagnate by letting them pass.

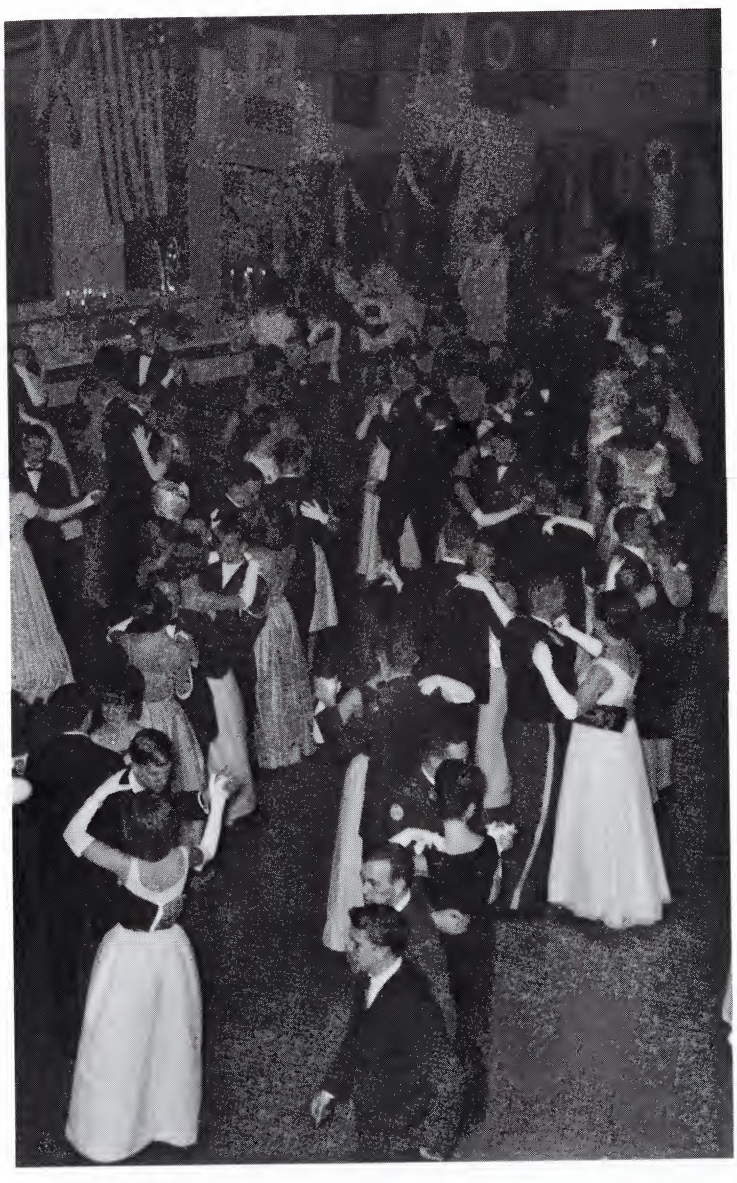

War at ETSU?

No, just preparation for the Military Ball.

A most impressive affair.

Military Ball

After moving grandly through the cannon and artillery-banked passageways into the flag-draped room with its massive ice eagle haunched as sentry, one is affected by the magnificence and beauty of the Army's formal dress, the full impact reflected in the glittering gleam of a hundred poised sabres. The annual Military Ball glides graciously through time in an atmosphere of dignity and reservation: the 1964-1965 ROTC unit at ETSU presents the most impressive affair seen on the campus in many years. The presentation of the ROTC Sponsor Corps is joined by the crowning of the Military Ball Queen, Miss Betty Lawson, and by the announcement of the first Scabbard and Blade Sweetheart, Miss Eleanor Yoakum.

The University Center is the community center for our University. It is for all members of the University family—students, faculty, administrators, alumni, and guests. It is not just a building; it is also an organization and a program.

As the "living room" of the University, the Center provides for the services, conveniences, and amenities the members of the college family need in their daily life on the campus and for getting to know and understand one another through informal association outside the classroom.

Programs for the center are planned by the University Center Committees. These programs include films, publicity, special events, and games. Membership is open to all interested students.

Characters Devoured by Grand Passions

Drama is a miracle of unified achievement through collective effort. Actor, director, set designer, costumer and lighting director are faced with the incredible problem of creating and sustaining a common interpretative style that is both an organic whole and an expression of individual skills and insight.

A cast in rehearsal shares both harsh tensions and special pleasures. The effort of public creation is relieved by that special kind of in-group humor that flourishes backstage. Anyone who has ever participated in the theatre knows that this unique intimacy is almost as valuable a reward as the audience's applause.

Lambda Chi Alpha's All-Sing was music to our ears. It seemed in rehearsal that the amateur voices would never be blended; but then came the big night and the fact that much practice and planning had preceded the performance was evident as the singing competition rocked the rafters. The tally of the judges' score sheets found Kappa Delta winning first place in small group women's division, Alpha Delta Pi second, and Alpha Omicron Pi third. Pi Kappa Phi placed first in small group men's division and Sigma Alpha Epsilon second. Alpha Delta Pi captured first place large group women's division, Sigma Kappa second, and Kappa Delta third. Pi Kappa Alpha was selected first in the large group men's division and Sigma Phi Epsilon second. The worth of All-Sing came in working together, doing the best job possible, and most of all having fun.

Long after the last notes of the finale had sounded, the spirit of having done something together remained.

Alongside all the horrors of history, there still persists the gift of dance, an affirmation of the spirit's will to achieve the sublime.

Because it both delights and purifys, music is often treasured as the ultimate escape into the beautiful. But it is never a source of alienation from life. Dance is the expression of the passions attuned and ordered.

Originality Sets Water Show Apart

The production involved more than the perfecting of aquatic skills. By doing their own choreography under the direction of Dr. Hicks, the Aquatic Club members used their abilities to present a production full of originality, talent, and zest. Music and lighting added the proper touch needed to make the show seem professional.

Exaltation of

Integrity and Honor

To stand for something is to be of value; to excel because of it, is to possess integrity and honor. Those stout souls upon our campus, who dare to be themselves, are exalted each year on Honors Day. They are invaluable to us.

The throbbing drums and screaming crowds issue forth a shattering roar that fuses on the stadium walls and ricochets back onto his ears. Blue Smacks Vulcans, 21-6, in Opener

After spotting the visiting Vulcans' 6—0 lead, the Bucs roared back with markers in the last three periods to whip the Pennsylvanians, 21—6. Quarterback Larry Watson rammed over from the 1 yard line to tie the game, and Ron Knicely added the first of three conversions. Bill Lloyd dashed 45 yards on a draw play to score in the third frame; then in the final period, quarterback Walter Wolfe tossed a 20-yard pass to A. B. Clevenger to complete the scoring. The Blue and Gold defensive platoon, aided by Jim Steele's two interceptions, kept the visitors out of scoring range most of the night.

Racers Upset Bucs, 26-14

The Murray State Racers, paced by a one-man offensive show, proved too much for the Buccaneers and sent them to a 26—14 upset defeat. The Bucs found themselves behind 20—0 early in the third period, but they suddenly came alive as Larry Watson began hitting Pete Hunt with passes (7 for the night), and David Holtsclaw churned up ground yardage. Watson threw to end Wayne Waff for an 11-yard TD, and Ron Knicely converted to make it 20—7. Gary Phillips pulled down a stray pass on Murray's next series of downs and brought it back to the Racer 19-yard line. Holtsclaw rammed over from the two, and Knicely converted for a 20—14 score. The Blue and Gold were on their way to a great comeback, but a 75-yard touchdown sprint broke their backs for a 26—14 defeat.

Western Win-Streak Broken, 16-9

A second-half rally, led by quarterback Walter Wolfe, gave the Bucs a 16—9 win over heavily favored Western Kentucky and snapped the visitors' 14-game win-streak. An early fumble recovery led to a 3—0 Hiltopper lead, but David Holtzclaw rambled 67 yards to paydirt the next time the Blue got the ball, and Knicely converted. A 68-yard punt return gave Western a 9—7 lead at halftime. With four minutes to go in the third period, Robin Forbes pulled down an enemy pass, setting the stage for Walter Wolfe's 27-yard TD run to put the home team ahead, 14—7 after Knicely's conversion. Late in the fourth quarter, Edd Gann added to the score by tackling a Hiltopper back in his end zone to make the final tally 16—9. The Buccaneer defensive unit held the vaunted Western offense to a mere 82 yards net rushing.

A tough Chattanooga defense, coupled with a series of breaks for the Mocs, gave them a 7—0 win over the visiting Buccaneers. The Blue and Gold, though the 22-point underdogs, seemed to show that they were going to win the first time they got the ball, but their drive ended at the Moccasin 7-yard line. A 61-yard drive midway in the second quarter gave Chattanooga a 7—0 lead that held up at the end of the game, although the Bucs put up a brilliant goal-line stand at the 1-yard line when Robin Forbes stole the ball from the 'Nooga quarterback. Gary Phillips was named Lineman-of-the-Week, and Laverne Damron was also commended for his fine play.

Eagles' Wings Clipped, 7-6

The Tennessee Tech Eagles gave the visiting Bucs a terrible headache before bowing, 7—6, on a backfired two-point conversion. In the second quarter, Buc safety man Robin Forbes hauled down an enemy pass and brought it back to the Eagle 4-yard line; two plays later, David Holtsclaw put the Big Blue ahead and Knicely converted to make it 7—0. As it turned out, this conversion was the margin of victory for the Bucs. Robin Forbes was robbed of a touchdown in the third quarter when a quick whistle quelled his intercepted pass return. In the same period, Tech mounted a 78-yard scoring drive, but the gamble for two points and victory failed. End Gary Wirth was named Lineman-of-the-week for his outstanding play.

Pirates Stunned, 35-13, by Eastern

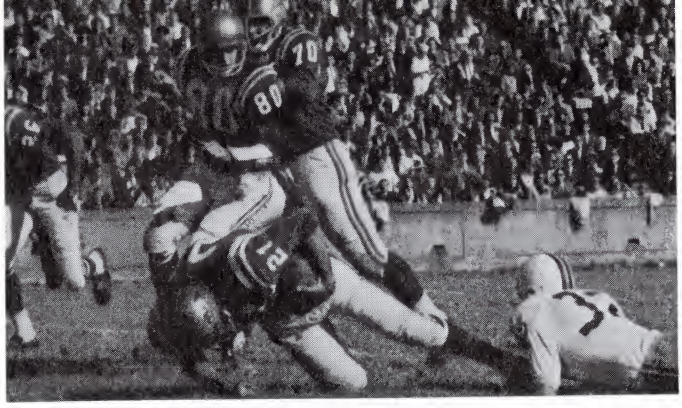

A fleet-footed freshman made shambles of the Buccaneer defense, and the Maroons coasted to a 35—13 upset win over the visiting Pirates. Eastern scored three times before State could manage to cross the goal. David Holtsclaw capped a 58-yard drive when he punched over from the one-yard line in the second quarter. Co-Captain Phil Morgan, who has seen limited action all season due to a leg injury, got the final tally for State, but a two-point conversion attempt failed. Robin Forbes was one of the few bright spots for the Blue that afternoon as he made 12 tackles and recovered one fumble. Gary Phillips also shone with seven tackles and five assists.

Bucs Win Homecoming, 14-0

As far as 7,100 Homecoming fans were concerned, this game ended almost as soon as it started, for on the fourth play of the game, David Holtsclaw took a Terrier punt on his 31-yard line and scampered down the sideline for an electrifying 69-yard TD. The Bucs kicked off and held the once-beaten Terriers inside their 20-yard line. On the fourth down, Wofford punted, setting the stage for Holtsclaw's return. The next time the Bucs got the ball, they drove 71 yards to paydirt, with A.B. Clevenger smashing over from the two; Ron Knicely's two conversions ran his streak to ten in a row. The hapless Terriers spent the rest of the afternoon holding off State's drives but managed to get inside the Buc 20-yard line before Jim Steele's interception stopped the drive. Edd Gann was named Lineman-of-the-Week, and Early, Vance, Herron, Lloyd, and Forbes also played outstanding defensive football. Quarterback Walter Wolfe reinjured his knee in the game, and was lost for the remainder of the season.

Morehead Crushed, 21-9

Outstanding offensive performances by quarterback Larry Watson (12-for-21 pass completions), and flankerback Johnny Russaw (6 passes caught for 110 yards), coupled with the defensive unit's hard-nosed play led by Lineman-of-the-Week Bill Early gave the Bucs a 21—9 upset win over the Morehead Eagles. The Eagles tallied first on a 22-yard field goal, but the Big Blue roared back with a 49-yard TD pass from Watson to Russaw with 26 seconds left in the half. In the third quarter, Watson rolled out to his right, found no receivers, and scampered in from the six to make it 14—3. Wayne Waff got into the scoring act in the final period as he pulled down a Watson aerial in the end zone, and Ron Knicely kicked his fourteenth PAT in a row to give the Pirates a 21—6 lead. A 54-yard punt return by the Eagles late in the game completed the day's offensive works.

Hopes Crushed

The Austin Peay Governors crushed State's hope for a share of the OVC crown with a hard-fought 27—20 victory at Clarksville. Peay scored the first time it got the ball, but State countered with a 10-yard scoring pass from Larry Watson to Pete Hunt. The Govs got a break when Holtsclaw dropped a punt inside his 30-yard line and scored minutes after the recovery. The Bucs were not to be denied as they fought back to tie the score as Johnny Russaw caught a 31-yard TD pass from Watson. The Govs scored again in the third period, and the Bucs countered at the start of the fourth when Larry Watson threw for his third touchdown, this time to end Wayne Waff for a 37-yard score. The try for two failed, and AP held a 21—20 lead. A TD pass gave the Governors a 27—20 lead, but the never-say-die Bucs drove to enemy territory, only to have a pass intercepted near the goal, making the final score, 27—20.

A game of bad breaks for the Bucs cost them a 14—9 heartbreak loss at the hands of Middle Tennessee State. The Big Blue took the opening kickoff and drove to the Raider one-yard line where they lost the ball on a fumble. After forcing the midstaters to punt, the Pirates got on the scoreboard with a 37-yard field goal by Ron Knicely. With four minutes left in the half, a fluke pass reception gave MTSC a touchdown and a 6—3 lead. The Raiders got their second TD on a controversial pass play on a fourth-and-one situation at the Buccaneer one-yard line. The final ETSU score two came on an 18-yard TD pass from Larry Watson to end Pete Hunt; the try for two failed, and final score read, 14—9.

Come on you guys . . .

Ahhhhh . . .

Men's Intramurals

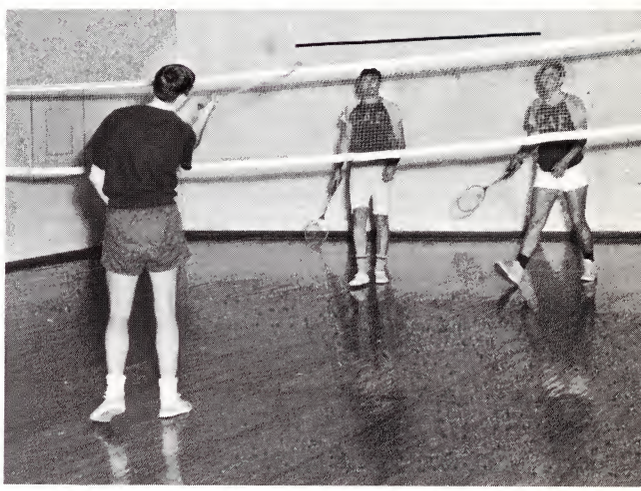

. . . Oh-h-h not so hard.

Men's intramurals, sponsored by the Physical Education Department, offer a wide variety of sports to those who do not participate in varsity athletics at the University. The program is divided into Greek and Independent divisions, and the men participate in football, basketball, bowling, ping-pong, volleyball, tennis, and badminton. Trophies are awarded at the conclusion of each year on the basis of points accumulated by the winners of the scheduled activities.

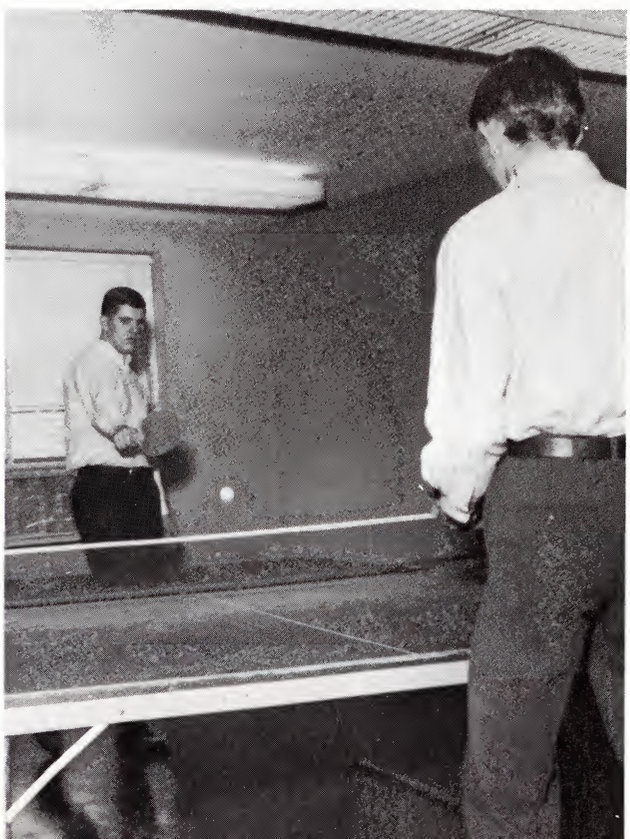

Poise and confidence.

I'm ready, I'm ready . . .

Women's Intramurals

The Department of Physical Education for Women makes available to the students many recreational opportunities through the Women's Intramural Program. The program promotes activities through the Junior and Senior Dance Orchesis, Aquatic Club, contests, and tournaments in various sports. Archery, badminton, golf, bowling, basketball, hiking, ping-pong, riflery, field hockey, modern dance, swimming, tennis, volleyball, speedball, and softball include the activities offered. This program is supervised by the Women's Physical Education Department but is carried on largely by the assistant manager, the manager, and the director of intramurals, with the Letter Girls directing each sport.

Where is the apple?

Hiking, hiking, hiking.

Julia Carmichel seems to be determined as she hits the ball during a table tennis match.

I'll get it! I'll get it!

Panhellenic Council

The seven national social sororities of East Tennessee State University are governed by the Panhellenic Council which is composed of the president and two elected representatives from each sorority. The presidency is rotated among the seven sororities. The purpose of the Panhellenic Council is to cooperate with university authorities in maintaining high social and scholastic standards, to be a forum for discussion, and to maintain closer interfraternity relationships. The Council meets twice each month with the various sorority advisors and the Dean of Women, who is sponsor for Panhellenic.

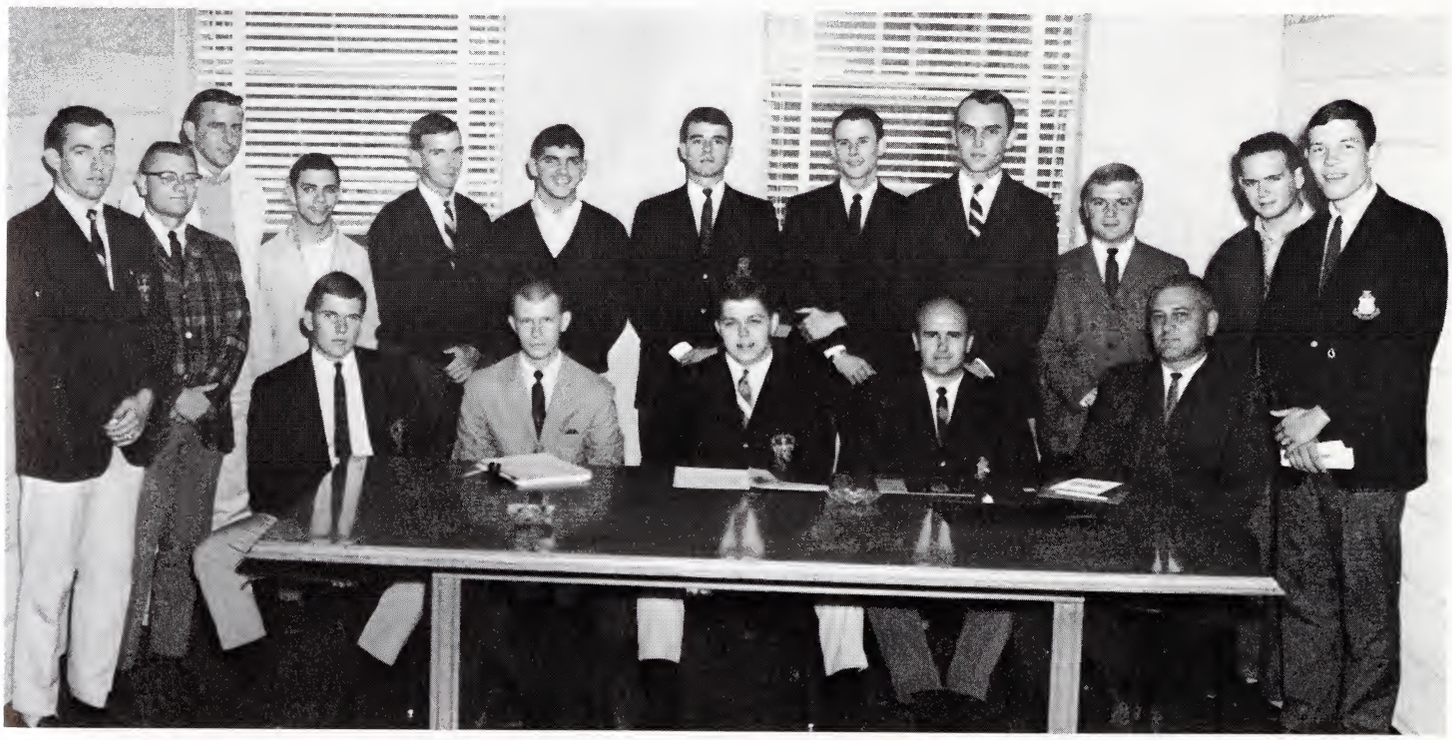

The fraternity women of America stand for preparation for service through chapter building inspired in the close contact and deep friendship of fraternity life. To them, fraternity life is not the employment of special privileges, but an opportunity to prepare for wide and wise human service.

Interfraternity Council

The Inter-Fraternity Council of East Tennessee State University is the governing board for the six national and one colony social fraternities on this campus. The Council, composed of the president and one other member of each fraternity, controls the overall rush program of the member fraternities.

The strength of the fraternity system on the campus at East Tennessee State University has been shown by the excellency in which the IFC has functioned on campus. The Council sponsors a program to orient freshmen about fraternities, an interfraternity intramural program, and numerous campus and off-campus projects.

Lambda Chi Alpha was founded on November 2, 1909, at Boston University. Lambda Chi is the oldest social fraternity on campus. Originally known as the local fraternity, Phi Beta Chi, it was colonized into Lambda Chi Alpha on March 21, 1955, and was granted a charter on April 14, 1956, thus marking the birthdate of the present local chapter—Iota Omicron. This year's Crescent Girl, Miss Phyllis Shipley, was chosen at the Lambda Chi annual Starlight Ball. The highlight of the winter quarter is the Lambda Chi Alpha All Sing, which promotes competition among the Greeks in the performance of both large and small group musical selections.

The brothers of Lambda Chi Alpha would like to extend a special note of appreciation to Phil Lawson, president of the chapter, whose diligent work, deep dedication, and fine leadership will always be remembered by the proud men who bear the insignia of the "Cross and the Crescent."

The fragrant Jacqueminot Rose typifies the beauty of friendship and love among the members of Alpha Omicron Pi. The sorority was founded on these principles at Barnard College, Columbia University, on January 2, 1897. Then on April 16, 1955, Alpha Omicron Pi was established on the East Tennessee State University campus.

Alpha Omicron Pi is proud of its representatives' participation in campus activities, such as seven elected members of the ROTC Sponsor Corps, three members of Who's Who for 1964-65, several dormitory officers, two Senators of the United Student Body, and a chairman of one of the committees of the Student Union, along with membership of several sisters in Delta Omicron, Junior and Senior Orchesis, the Aquatic Club, Kappa Delta Pi, S.N.E.A., and Scrolls. The chapter is represented off-campus by Miss Congeniality in the 1964 Miss Johnson City Pagent and by Miss Erwin. Alpha Omicron Pi is also very pleased to have won first place in the small group for women in All-Sing for 1964. The sorority's National Philanthropic Project is the Frontier Nursing Service in Kentucky; local projects include volunteer work at the Girls' Club and at Mountain Home.

Phi Sigma Kappa Fraternity was founded at Massachusetts Agricultural College, now the University of Massachusetts, in 1873. The fraternity now has eighty chapters throughout all sections of the United States. Phi Sigma Kappa came to the E.T.S.U. campus in the form of a colony, Mu Epsilon Nu, the oldest local fraternity at State. On December 12, 1954, Zeta Tetarton of Phi Sigma Kappa was installed on the campus.

Phi Sigma Kappa is based upon the cardinal principles of brotherhood, stimulating scholarship, and developing character. Phi Sigma Kappa encourages the full development of each member through participation in campus activities, opportunities to develop leadership, and community service. March fifteenth is the date set aside by the fraternity to pay tribute to the founders and the heritage which they gave Phi Sigma Kappa.

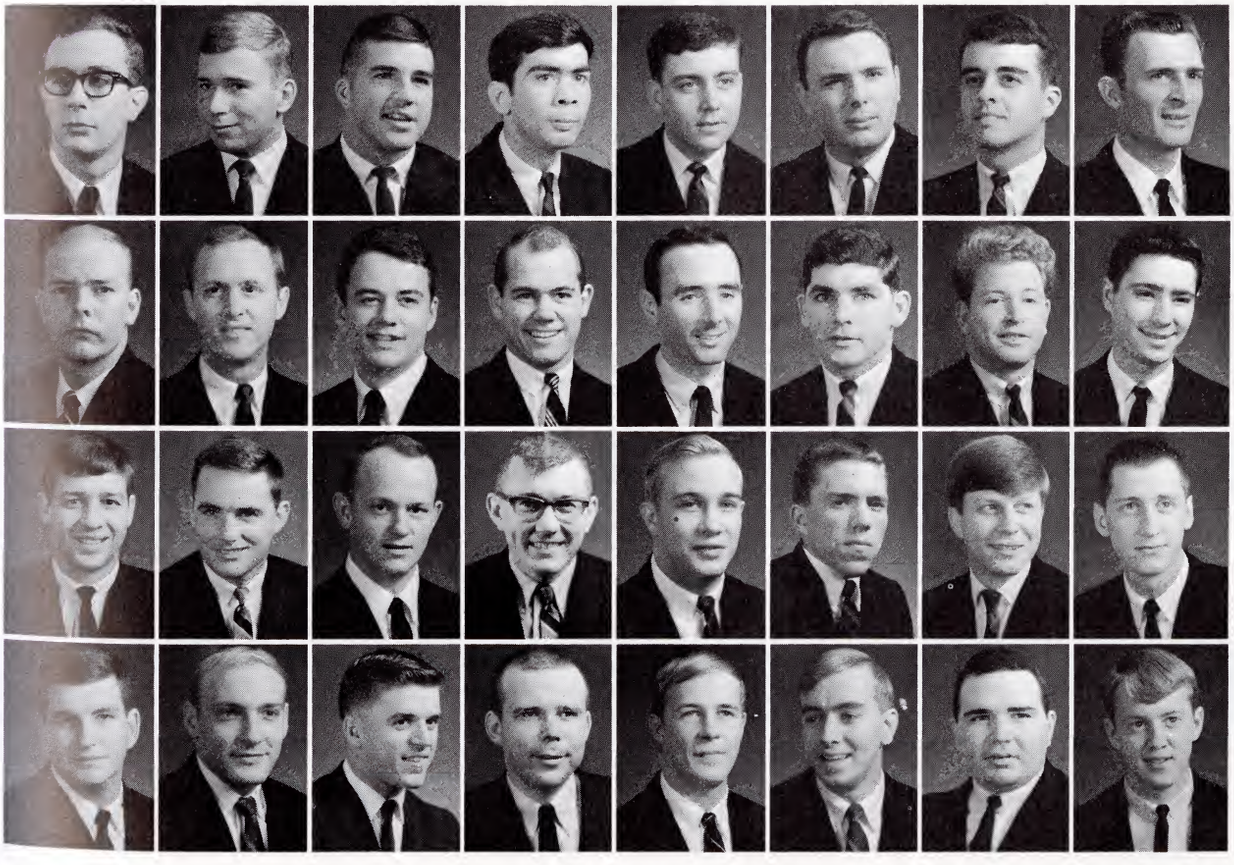

Miss Judy Taylor is the Moonlight Girl for the school year 1964-65. The flower is the red Carnation; the colors are silver and magenta. Brother Bill Captain is the faculty advisor.

Alpha Xi Delta annual Pledge Formal.

AΞΔ

Alpha Xi Delta sorority, one of the largest social fraternities with one hundred and fifteen college chapters, was formally recognized at Lombard College, Galesburg, Illinois, on April 17, 1893. That day is observed each year as National Founder's Day by Alpha Xi Deltas Everywhere.

Alpha Xi Delta has many treasures that are symbolic to the sisterhood. The pink Killarney Rose is the official flower and the golden Quill is worn over the hearts of the active members. The colors found on the official crest are double blue and gold.

Alpha Xi Delta has been active on the East Tennessee State University campus since October 22, 1955, as Gamma Theta Chapter. Besides the social activities such as the Pledge Formal and the Spring Rose Formal, Alpha Xi Delta participates in community and campus service projects. The current principal service projects of Gamma Theta Chapter are working with the American Red Cross bloodmobiles and helping with the Bertha Ellis Girls' Club.

Pi Kappa Alpha Fraternity was founded in 1868 at the University of Virginia. Epsilon Zeta Chapter was chartered at East Tennessee State University in May of 1955. The colors are garnet and old gold, and the Pi Kappa Alpha flower is the Lily of the Valley.

Epsilon Zeta has strived for and maintained the high ideals set forth by its founding fathers. For the past seven years Epsilon Zeta has been the recipient of the National President's Service Award, given to the chapter that has contributed most to the community. Pi Kappa Alpha is ranked among the top ten fraternities in the nation; out of 134 chapters, Epsilon Zeta is among the top five Pi Kappa Alpha Chapters.

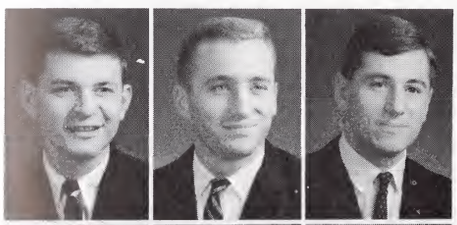

Epsilon Zeta was the first chapter of Pi Kappa Alpha, or any other fraternity, to publish a color calendar. Highlighting the spring quarter is the dinner dance, during which the Pi Kappa Dream Girl is announced.

Delta Zeta, was founded at Miami University, Oxford, Ohio, in 1902. The Delta Eta Chapter was installed at ETSU in 1956. Our faculty sponsor is Dr. Constance Mynatt.

The chapter won the Gertrude Houk Fariss Award, which is given to the one chapter that is most outstanding in citizenship. It was presented at the Delta Zeta National Convention in Cincinnati this summer. Delta Eta was given the award as a result of 1800 service hours given to the Speech and Hearing clinic and to research for a book by Dr. Sol Alder. The chapter has worked with the Blood Mobile, on the Easter Seal drive, and at Green Valley Hospital. Our national philanthrophy is the American Hearing Foundation and Gallaudet College in Washington, D.C. Delta Eta has also won a National Standards Award and a silver award for service.

Delta Zetas' honors at State include four Who's Who members; two ROTC sponsors; Miss Greene County, who won first place in dramatics in the Miss Tennessee pageant; two majorettes; President of Kappa Lambda; President of Panhellenic Council. This year during Homecoming Delta Zeta won second place in Pike's Peak.

The colors of pink and green, the Killarney Rose, the lamp with its diamond and four pearls, and the unbroken bond of sisterhood make a Delta Zeta "Adventure in Friendship."

On April 25, 1962, Mr. Durward W. Owen, executive secretary of Pi Kappa Phi, charteerd the Fraternity's seventy-second chapter, Beta Omega, at East Tennessee State University.

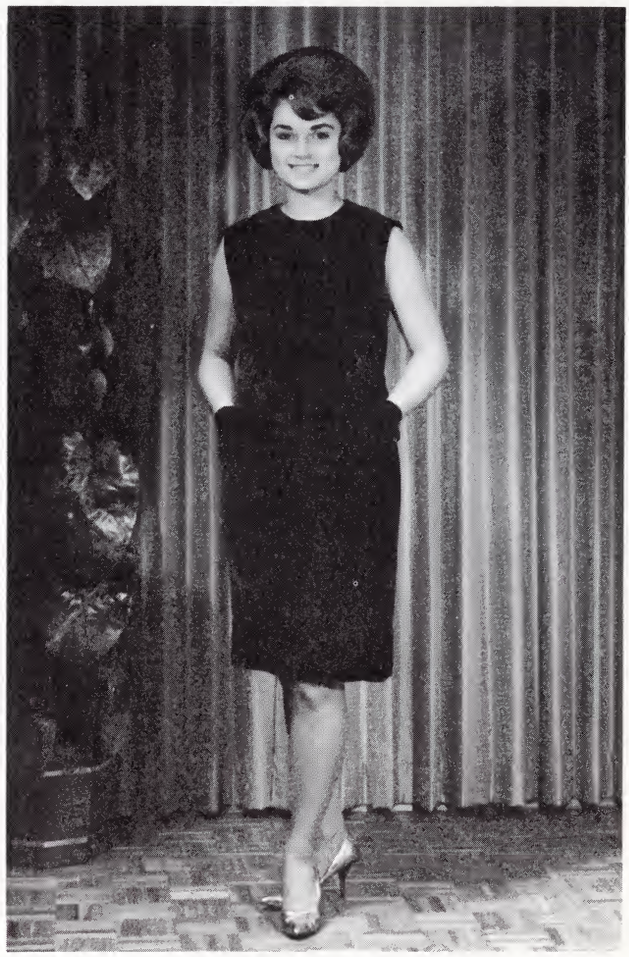

Pi Kappa Phi, among the top twenty fraternities of the National Interfraternity Council, is Southern in origin and conservative. It strives to endow each of its initiates with the ideals of Christian Brotherhood.

Pi Kappa Phi founded a colony at ETSU in 1962 due to the interest of the faculty advisor, Dr. Richter Moore, and interested alumni. As a result of hard work and the Pi Kapp brotherhood, today Pi Kappa Phi takes its place in the ranks with other fraternities on campus.

The major event of Pi Kappa Phi is the Rose Ball. At this affair, the Rose Girl of Pi Kappa Phi is chosen. This year the Rose Girl is Miss Charlotte Stout of Elizabethon, Tennessee.

Other activities include annual parties on Valentine's Day and at graduation, as well as numerous other social events.

Within the Pi Kapp Brotherhood is a closely knit group of men with the achievement of education as a prime goal and a spirit of brotherhood that can truly be called fraternal as their aim.

Founded at Longwood College, Farmville, Virginia, on October 23, 1897, Kappa Delta was the first national sorority to be installed at East Tennessee State University. Built upon the solid foundation of sisterhood, Kappa Delta has set high goals for its members throughout the country, as exemplified in its open motto, "Let us strive for that which is honorable, beautiful and highest."

An emphasis on scholarship has proved fruitful for the members of Gamma Delta Chapter. Last spring the Panhellenic scholarship award and the Panhellenic Cup were awarded to the chapter for high scholastic achievement and service. Kappa Delta's main service project is the Johnson City Girls' Club, a United Fund organization.

Active in many phases of campus life, Gamma Delta Chapter has won the Intramural Cup every year that it has been awarded.

On October 25, 1964, Tennessee Alpha celebrated the first anniversary of the chapter's installation as a national member of Sigma Alpha Epsilon. Installation was accomplished after a three year period of existence on this campus as a Phi Alpha Colony. This colony grew from a nucleus of twelve men in 1960 to a chapter of eighty brothers in 1964.

Sigma Alpha Epsilon at E.T.S.U. stresses scholarship, sports, community, and social activities. These activities include strong participation on the school's intramural program, various formal and informal parties and outings, and service projects such as the United Fund, the March of Dimes, and the Heart Fund.

As a whole, Sigma Alpha Epsilon provides a congenial environment of closely knit men who personify the word "Brotherhood." There is a place for each brother to excel in the area of his major interest. The Sigma Alpha Epsilon Sweetheart is Miss Jeanie Torbett. The SAE faculty advisor is Dr. David Harrell.

Sigma Phi Epsilon—nationally founded on November 1, 1901, at Richmond, Virginia—is among the top five national fraternities in America. At ETSC on April 10, 1954, Nu Sigma Alpha developed into the Tennessee Gamma Chapter of Sigma Phi Epsilon—becoming the first national fraternity on campus.

The sixty-eight actives and pledges of Tennessee Gamma, now present at ETSU strive to maintain top position on campus by being a group which represents the scholar, the campus leader, the athlete, and the gentleman. Brother Wayne Bell is United Student Body President. Each brother has contributed his time and talents to the capturing of trophies at the Homecoming Bicycle Race, in the competition of small and large groups at All-Sing, and in the IFC Intramurals. All the brothers are also proud of their new kitchen and dining room, installed in 1964.

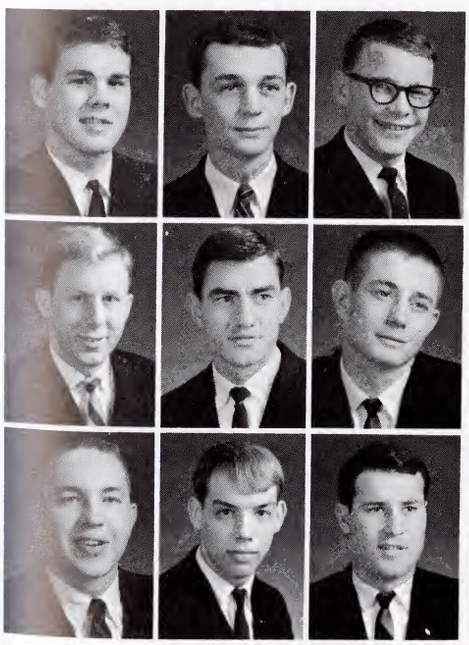

Annual service projects are "Manning the Dime Board," giving a party for underprivileged children, and decorating downtown meters at Christmas. Outstanding social events include, Sweetheart Ball, the Diamond Princess Ball, Founder's Day Banquet, and Spring Formal.

Delta Chi Alpha received formal recognition as a local fraternity on February 20, 1964. Formed to establish a Kappa Alpha Chapter on campus, the local organization was patterned after the national order.

Kappa Alpha Order was formed in 1865 at what is now Washington and Lee University. Rich in the tradition of the Old South, Kappa Alpha attempts to maintain the high principles and moral code of General Robert E. Lee, the spiritual father. The fraternity colors are crimson and old gold; the flowers are the magnolia blossom and the red rose. The Confederate battle flag is used as a fraternity symbol.

Delta Chi Alpha is a young, dynamic fraternity. The goals of the first year have been to increase membership without sacrificing solidarity; to become more active on campus; and to maintain a code of conduct equal to that of Kappa Alpha Order. Fraternity advisors are Mr. Richard Brand and Mr. Robert Creek. Miss Jean Martin is Delta Chi Alpha Rose.

"I think I'm going to like it here."

Southern tradition rides high in Delta Chi Alpha

Trailer City, ETSU

The essential ingredients of trailer life, ETSU: a husband, a wife, a trailer.

An ingredient sometimes added to provide variety of flavor.

One by one, they fulfill their obligations as students . . .

Or, two by two, they make it a cooperative effort.

Of course I can cook, and sew, and housekeep . . .

Taking time out from the salt mines of studying to watch the "educational" presentations of the idiot-box.

Well, I'll have to check my calendar.

Where are those boys? Where ARE those boys?

Do we have to study?

Memories

Nostalgia the dormitory harbors. Entranced the rhythmical flush of a neighboring commode, the dorm inhabitant is surrounded by a perpetual sea of smoke, dust, coffee fumes, and the musty smell of damp lingerie hanging over a cloudy mirror. Yet, in the shower fights, mattress raids, and other unmentionable pranks, the devoted student hovers with hunched shoulders, pouring over his study-worn books—while the midnight oil burns undeterred by the free-for-all in the halls, or the hootenanny next door. Even in this terrible splendor the strongest friendship has taken seed and grown tall. This is college—its many memories ricochetting back from these mad, yet somehow profound, moments.

Engaged . . . in conversation.

"I'll raise you five."
"Shut up, we're supposed to be playing bridge."

And then he said . . .

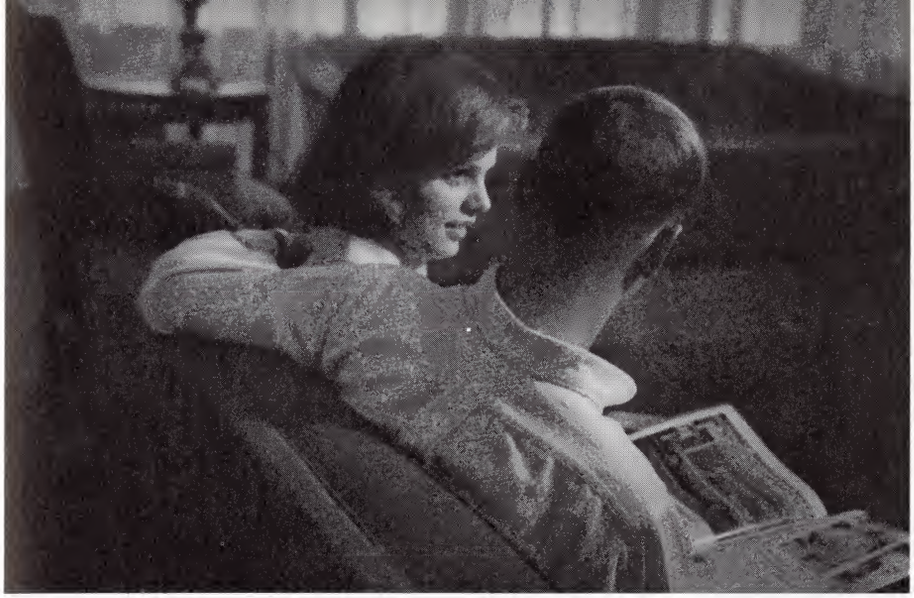

The only quiet place in the dorm.

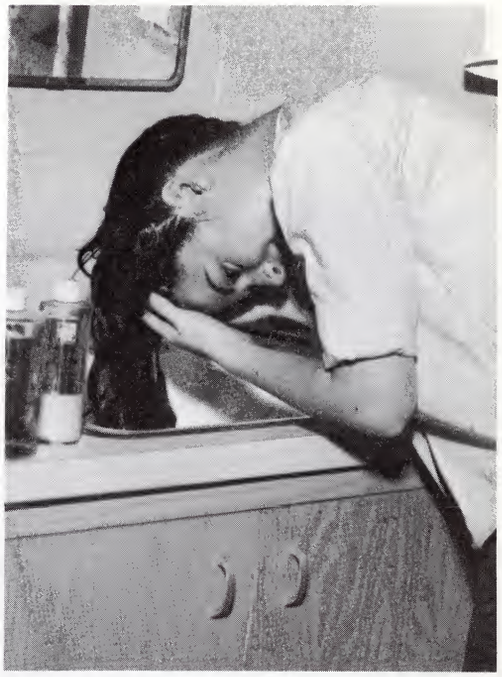

So this is the South?

She: "I wish the photographer would hurry up and leave."
He: "Hmmmm!"

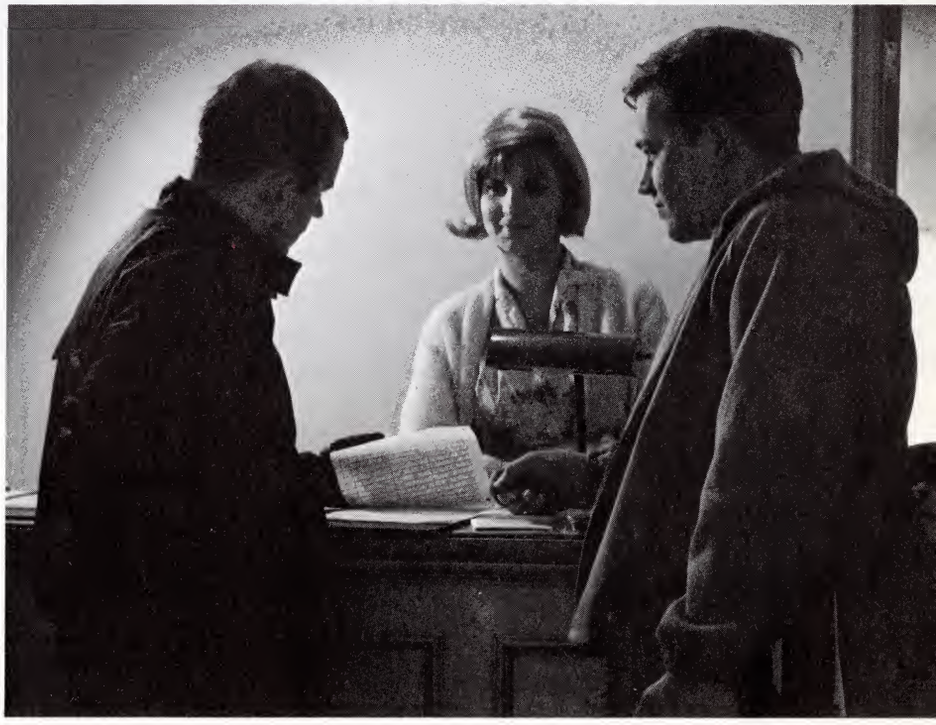

Only she knows for sure.

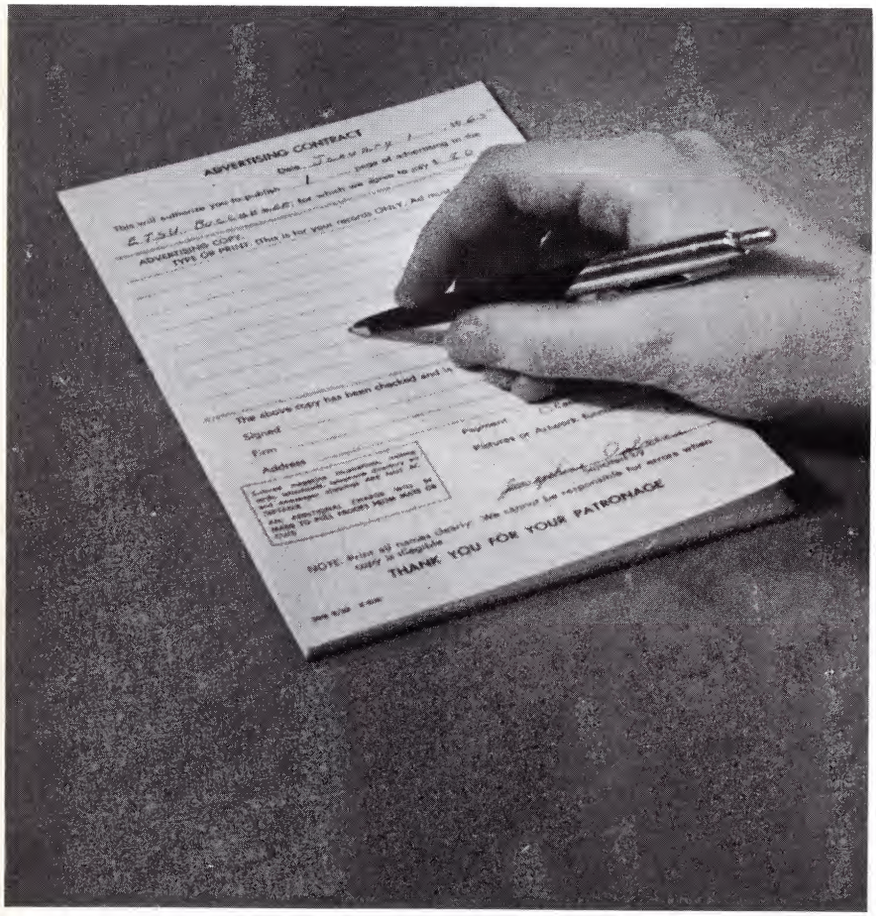

Yes, I do like cereal fairly well.

Gone where?
With Whom?

We Express Our

Gratitude

"Weary Feet trod the city . . . shoot the same line a hundred times, each with forced gusto . . ." Representing the Buccaneer: this is hard work, slow work . . . grind . . . Yet the advertising staff makes possible this entire record of 1964-65's myriad of events—exciting, depressing moments, wonderful and tragic . . . And to those who contributed their interest in money, we, the Buccaneer staff, offer our sincere thanks and here express our gratitude for your support.*

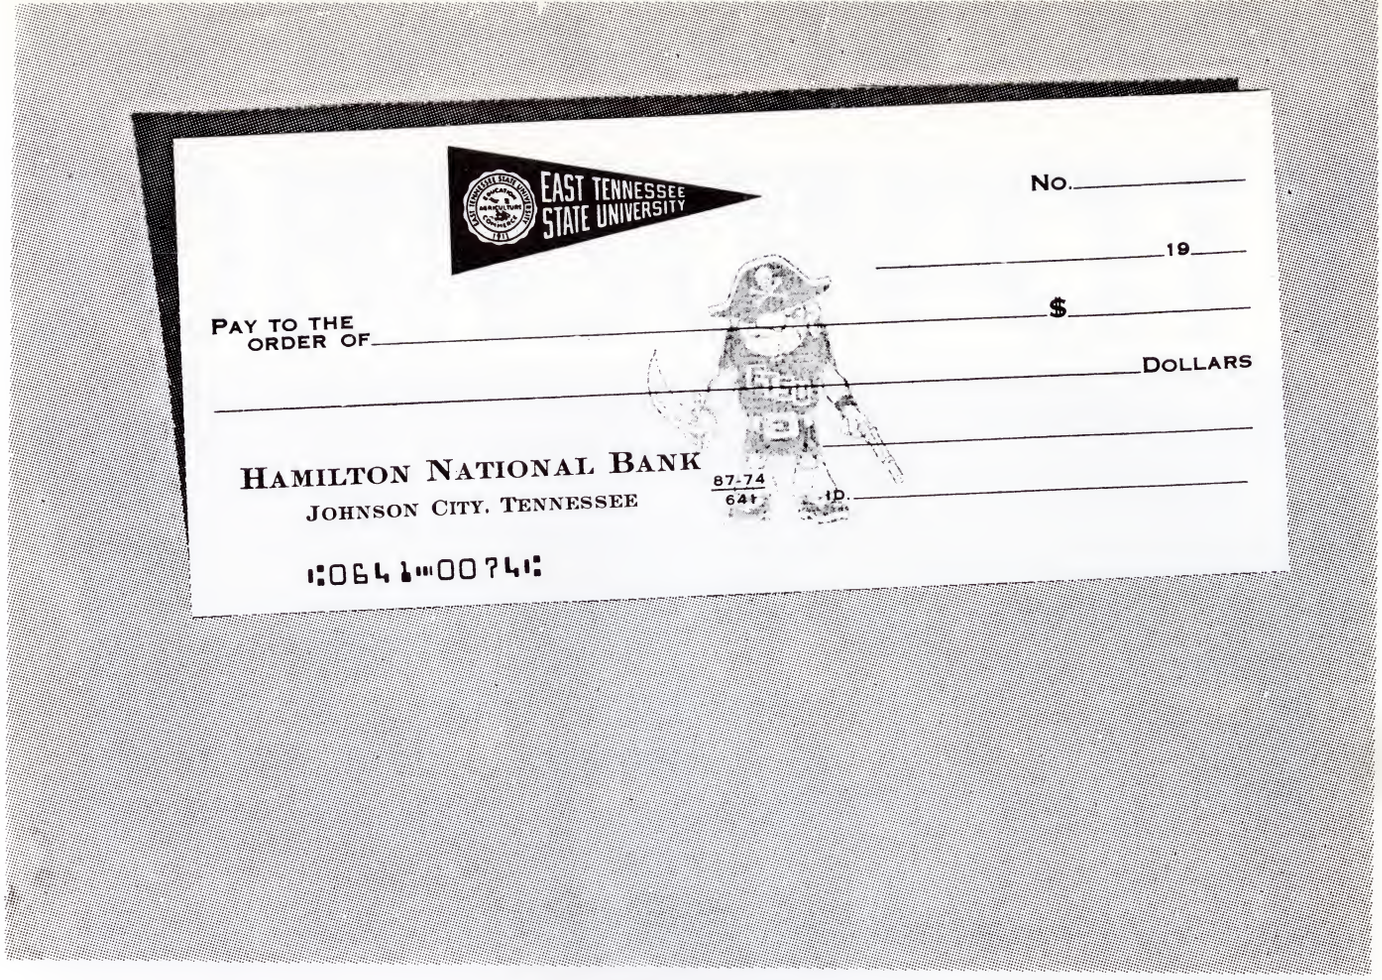

*Let us bow with a long, low sweep to the advertising staff . . . "so amazing in comeback, you can't laugh off their capacity to take it . . ."**

*Carl Sandburg, *The People, Yes.*

TODAY'S WORLD DEMANDS EDUCATION!

The challenges of today's world can be met by you providing you are prepared. One of the most important factors is complete education in the field of your choice. There is no room for school "drop-outs" in this competitve world. Finish your education by all means, even if you have to work your way through.

Our sincere best wishes for a happy and successful life. Remember . . . a good American is a good neighbor . . . a member of a church . . . a person who practices the golden rule.

In the laboratories of The Mead Corporation and in its 47 U.S. mills and plants we're fascinated by paper. We know that in countless ways, paper is going places and doing things which affect everyone. As a product for which new uses are found each day . . . and as an industry vital to our community and our nation . . . PAPER WORKS WONDERS.

WE WANTED TO TELL A STORY about East Tennessee State University—a story about the place and its people as they perform from day to day to make the University the cooperative enterprise that it is. We wanted to show how, when, and where student meets student, becomes acquainted with knowledge, tastes the freedom and responsibility of life, and in the process becomes Someone.

In order to accomplish our objective, we have made changes in the 1965 BUCCANEER. We hope you will appreciate these changes and enjoy this, your 1965 BUCCANEER.

Whether or not we have achieved our goal depends solely on your personal evaluation. Whatever your decision, this is your BUCCANEER now and for many years to come.
